

G Google Pixel Watch

Two-Tone Leather / Crafted Leather band

Use this handy tool to find out the size of your wrist.

Questions? g.co/googlewatch/sizing

1

Print at 100%. Select black and white, landscape, and don't scale to fit.

2

Cut out the pretend band and wrap it around your wrist.

3

If your fit falls somewhere in between, size down for best performance.
